

## Days Adjustable Height Trolley Walker

### Features and Benefits:

- Height adjustable trolley for moving food or drink
- Two removable trays
- Can be used as a temporary walking aid
- Can be used as a side table when brakes locked
- Maximum tray weight 10 kg
- Maximum user weight 125 kg

The Days Meal Tray Walker is a sturdy and robust walking aid for use around home, allowing the user to safely transport items from one room to another. It includes two plastic clip on trays that can easily be removed for cleaning. The Days Adjustable Height Trolley Walker can be used with or without the trays. The trays have rails on the edge to prevent items from slipping off as it can also be used as a table.
