## *Ellipse Lite Aluminium Rollator*

### Features and Benefits

The Peak Care Ellipse Lite Aluminium Rollator has a folding, high quality aluminium frame which makes it one of the most lightweight rollators available. With an adjustable handle height this walker can fit many user requirements. This walker comes with a tool-free kit to adjust both the height and the brakes. The stylish soft touch hand brake allows the user to lock the wheels for added safety. The Ellipse Lite comes complete with a waterproof seat that can be folded for storage purposes and an easy install nylon bag.

- AU STD. Tested 492485
- Adjust Height Tool-Free
- Adjust Brake Tool-Free
- Foldable Waterproof Seat
- Easily Installable Nylon Bag
