## INNOVA-AID LUXE QUAD WALKER (202)

An aluminium folding mobile walking frame. It has a padded seat and a vinyl storage bag located under the seat which is removable. The mobile walking frame also features a padded rounded backrest which is removable, height adjustable contoured hand grips and squeeze cable hand brakes. The mobile walking frame has four castors which are puncture resistant. The Luxe is available in three seat heights and has a higher load capacity than basic model.

- Heavy duty construction – with a safe working limit of 140kg, Australian standards certified.
- New “light touch” lock brake system.
- Lightweight Aluminium construction.
- Height adjustable handles.
- New 20cm flat ridged wheels to minimise wheel wobble and increase grip.
- Easy fold rounded backrest for comfort.
- For indoor and outdoor use.
- Rear frame widened for maximum walking space.
- Can be folded without removing the storage bag.
- New nylon bag prevents visibility of valuable items.
- e.g. Wallet, Handbag, Keys.
- Spill proof vinyl padded seat.
- Colour – Blue/Purple/Red (subject to availability).
