KARMA ERGO LITE TRANSIT WHEELCHAIR (KM-2512F14)

Features and Benefits

The Ergo Lite Deluxe weighs just 8.7kg. It has detachable footrest hangers and has the same Aegis microbe shield and shaped seat as the rest of the Ergo range.

The S-Ergo seat promotes pressure redistribution and helps prevent the user sliding down the seat.

Despite the incredibly light weight frame of the Ergo Lite Deluxe, the wheelchair has been built with the same strength and quality as the other Karma wheelchairs.
