

Theorem Studio Lift and Recline Chair

Features and Benefits:

- Independent head, back, leg and lumbar functions
- Extended leg rest
- Hand wand with USB port

Theorem Concepts Studio Quad Motor Lift and Recline Chair, designed to provide unparalleled comfort and functionality. This elegantly appointed chair is built to accommodate individuals with a larger frame, boasting a superior weight capacity and generous seat depth. Experience ultimate relaxation as you recline with the lay-flat function, allowing you to find the perfect position for rest and rejuvenation.
