

## ByAcre Carbon OverLand Walker

### Features and Benefits:

- Tough outdoor rollator, superior for terrain such as grass, hills and gravel roads
- Ultra-durable pneumatic tires with maximum shock-absorption
- Strong front forks and sealed bearings
- Carbon fiber frame – 5x stronger than steel
- Lightweight at only 6,7 kg
- Easy to fold
- Comfortable built-in seat
- Comes fully assembled and ready to explore
- This rollator can take you over all-terrain such as the snow, gravel roads, the beach, the woods, hills, dirt paths and grass

The byACRE Carbon Overland is a lightweight offroad walker to take you to the places you love. With the style of a Land Rover this walker is strong and durable and ready for your next adventure.
