

Aspire Vogue Carbon Fibre Walker Tall

Features and Benefits:

- Smart Posture System equipped with forearm supports that are height, depth and angle adjustable, the user can achieve optimal centre of gravity for improved balance and weight distribution.
- Luxury look and feel Danish design, profiled tubing, moulded fittings, ergonomic handles and refined colours.
- Lightweight and ergonomic design
- "AutoLocate" Smooth height adjustment that automatically locates to pre-set heights, making adjustment simple and accurate.
- Locks when folded makes transportation and storage easier.
- Advanced locking handbrakes for increased user safety when walking and sitting.

The Aspire Vogue Carbon Fibre Walker is a sleek, stylish and a super lightweight rollator. Its Danish design, profiled tubing and moulded fittings gives it a luxurious look and feel. The most unique feature of this super lightweight Carbon Fibre walker is that it weighs only 6.2kg overall and only 4.9kg frame weight and handling a max user weight of 150kg. A key feature to the Vogue walker is its locking mechanism once folded, making it safe and easy to pick up, transport or store.
