

Quickie Q50 R Carbon Fibre Folding Power Chair

Features and Benefits:

- Lightweight carbon folding frame
- Super smooth folding mechanism
- Easy to transport, store and manoeuvre
- Removable lithium-Ion battery (1.4kg)
- Small turning circle making it ideal for narrow spaces
- Bright and stylish 'Quickie' stop light for protection and visibility in the dark
- Ultra lightweight comfortable and breathable backrest and seat
- Additional compartment for optional second battery
- Slim profile to allow access through narrow doorways

Travel lighter and smarter with the Quickie Q50 R Carbon, one of the world's lightest carbon fibre folding power wheelchairs! Weighing in at just 14.5kg (without batteries), this sleek and stylish wheelchair is your ultimate travel companion. With a quick-fold mechanism, you can pack it up in seconds without any disassembly or battery removal required. Plus, its compact design makes lifting and storing a breeze, fitting effortlessly into car boots, airplane overhead bins, or small storage spaces. Whether you're jet-setting across the globe or just heading out for a day trip, the Quickie Q50 R Carbon ensures you move with ease and elegance, making every journey as smooth as possible.
