BOSTON LIFT AND RECLINE CHAIR

ABOUT THIS PRODUCT

The Boston Lift Chair features 4 motors that can offer you the ability to recline, sit or stand. The supportive lift feature, lumbar support and neck tilt are thoughtfully designed to support the upper body and neck and benefits those with limited mobility or recovering from an injury. The soft fabric exterior provides a classic look.

- Four Motors: Allows reclining, sitting, or standing.
- Supportive Lift Feature: Assists with transitions.
- Lumbar Support: Provides lower back support.
- Neck Tilt: Adjustable for neck comfort.
- Design: Supports the upper body and neck.
- Fabric Exterior: Soft, classic look.
