ABOUT THE GLADIATOR

Engineered with cutting-edge technology and robust design, the Gladiator Powerchair is built to conquer any concrete, asphalt or indoor surfaces with ease.

Whether you're navigating through busy city streets or you're at home, this Powerchair ensures a smooth and comfortable ride every time. The backrest tilts back, providing customisable comfort at the touch of a button. Engineered for safety and reliability, this powerchair supports a safe working load of 140kg.
